### **Context:**

In the frame of the activities of the IOM program “Mosul Emergency Response and Preparedness”, under the overall supervision of the Psychosocial Support and Social Cohesion Unit’s Program Coordinator, the direct supervision of the Psychosocial Officer, the successful candidate will be responsible to:

1. Facilitate assessment of MHPSS needs in designated communities;
2. Provide psychosocial support to the displaced populations in camps and host communities;
3. Conduct sessions to support and protect the most vulnerable sections of the displaced populations in camps and communities such as women, children, elders, persons with disabilities, including permanent persons affected by neurological affections and cognitive disorders;
4. Develop awareness messages related to psychosocial support (psychological wellbeing, conflict management, cultural awareness) and protection to be disseminated to the affected population;
5. Provide psychosocial first aid to the affected population in case of sudden/on-going emergency;
6. Identify cases that require intervention on the psychological level and refer them to the team’s psychologist;
7. Train focal points/volunteers in camps and communities on psychosocial support related issues, protection issues;
8. Organize support groups and forums for the affected population in camps and host communities;
9. Organize family awareness sessions for families of particularly vulnerable and of people with mental disorders;
10. Report on the activities/sessions conducted to the Psychosocial Officer and National Psychosocial Coordinator.
11. Map the existing needs of the affected populations;
12. Any other duty as may be assigned by the Program Manager or Project Officer.

### **Desirable Qualifications:**

- Bachelor's Degree in Sociology or Social Works.
- Post-graduate studies in Sociology and/or Psychosocial Support in emergency settings is an advantage.
- Previous experiences in social and protection activities in related Governments of intervention is an advantage.
- Experience in communicating and working with a wide range of people including people of culturally diverse backgrounds.

### **Competencies:**

- good communication, interpersonal and organizational skills;
- ability to draft clearly and concisely;
- demonstrated gender awareness and gender sensitivity;
- ability to work effectively and harmoniously with colleagues from varied cultures and professional backgrounds;
- ability to work under pressure
- personal commitment, efficiency, flexibility and drive for results;
- Proficiency in Office applications, including Word and Excel, internet explorer and basic knowledge of SPSS.
